2025 SERA Conference Proposal Submission Page

If you experience problems with this site, please send an email specifically describing the problem to "lrzientek@shsu.edu". Please use as the e-mail subject "SERA PROPOSAL SUBMISSION PROBLEM".

The deadline for submitting proposals is midnight **October 1st**. The deadline for RECEIPT of conference registration payment (a required condition for proposal review, which is NONREFUNDABLE unless all your proposals are rejected) from ALL authors/co-authors is **October 12th** for **payment by check**, and **October 19th** for **payment via PayPal**. Registration costs for faculty are roughly \$140, and for students roughly \$90. Further information about conference registration fees is available at: <http://sera-edresearch.org/register>.

Note: Do NOT use the "BACK" button in your browser to go backwards, or your work will be lost. Instead, use the "BACK" button within the survey itself.

IT MAY BE HELPFUL TO HAVE A COPY OF THE SERA "Call for Proposals" open on your computer, or printed, to consult as you complete your submission. To open the link into a new window, right-click on the link and choose "Open Link in New Window".

A copy of the Call For Proposals is available at:

<http://sera-edresearch.org/seraCALL.pdf>

REMEMBER: You may list as co-authors ONLY people who have made a substantial contribution to the paper. Also, once you have submitted this proposal, **(a) no co-authors may be added, and (b) no co-authors may be deleted**. In other words, if the proposal is accepted by the Program Committee, *the presentation will be listed in the conference program with exactly the same authors/co-authors as those listed on the proposal!*
