Workshops, Symposiums, and Innovative Sessions

13.

You chose a **workshop or innovative session**.

Members are cautioned that program space is limited.

Due to program space considerations, because workshops and innovative sessions require a lot of program space, ******VERY VERY LIMITED NUMBER of TRAINING SESSIONS/WORKSHOPS or INNOVATIVE SESSIONS** *** will be accepted for the forthcoming conference.

Are you sure you want to submit a workshop or innovative session? (If you answer no, you will be sent to the beginning of the proposal system so that you can change your session type)
