GENERAL INFORMATION

The 42nd Annual Meeting of the Southwest Educational Research Association will be held

WEDNESDAY, FEBRUARY 6 THROUGH FRIDAY, FEBRUARY 9, 2019

at the Menger Hotel • 204 Alamo Plaza • San Antonio, TX 78205

General Proposal Guidelines

Both members and non-members may submit proposals for consideration. **Only original work** that has not been previously (a) published, or (b) presented at SERA, or (c) presented at another professional meeting, is eligible for consideration. If a portion of the work has been previously presented, but not published, and the new original contribution is substantial, the work is eligible for consideration, but only if the prior work is explicitly acknowledged. For example, one year a student presented a paper explaining the precepts of computing "clinical significance," and the next year wrote a paper reporting a meta-analysis of clinical significance tests reported in a given literature. The primary focus of the second paper was the meta-analysis, the prior presentation was explicitly referenced, and the second paper was a co-winner of the SERA Outstanding Graduate Student Paper Award. Questions regarding the "originality of work" requirement may be addressed to the Program Chair. *The general principle is that SERA is not a venue for reporting work already reported either elsewhere, or previously.* Proposals for papers, tutorials, symposia, innovative format sessions, and graduate student seminars will be considered for inclusion in the program and should be submitted electronically to the SERA website at: <http://sera-edresearch.org/>

Submit **SUNDAY, SEPTEMBER 23, 2018.**

Proposals are invited on topics from all disciplines related to education.

Authors and co-authors are required to register for the annual meeting and principal authors are expected to present their papers in person. If circumstances prevent principal authors from doing so, they must designate a substitute to make their presentations.

All authors and co-authors must preregister and pay registration fees for the annual meeting by the October deadline. Registration fees include the annual member dues. Include as co-authors only persons who have made a substantial contribution to the paper. All persons who benefit from the presentation of papers at the annual meeting (i.e., all authors and co-authors) are expected to contribute to our scholarly community by helping to pay association conference expenses (i.e., register/pay annual dues).

Current SERA membership is NOT a requirement for proposal submissions. Instead, what is required is that all authors and **all** coauthors must register and pay the registration fees for the conference for which the presentation is being submitted. The SERA Registration web pages are typically opened in late August, and payments must be received (not sent; received) by the October deadlines posted on the SERA Home Page.

All meeting rooms at the annual conference will be equipped with an LCD projector with a VGA cable (3-row 15-pin connector) and a projector screen. **Presenters are responsible for providing working computers and VGA adapters for their computers if needed.** Also, wireless internet is NOT provided, so presenters should either bring presentations on a flash/thumb drive or have capability of providing a wireless hotspot if your presentation is stored on a virtual space. **Presenters must supply all other audio-visual equipment. Participants are advised to bring their own laptop computers.**

PLEASE NOTE that conference registration and payment ***RECEIPT*** are ***STRICTLY required*** within roughly one month (i.e., **By OCTOBER 5th for check or Purchase Order payments and by OCTOBER 12, 2018 for PayPal payments**) of the proposal submission deadline in order for proposals to be considered.

First, registration must be completed on-line at <http://sera-edresearch.org/>

Second, payment may be made either using the SERA Registration web site and its Pay Pal features, which includes a credit card option, or by postal mailing a check or purchase order **BY THE PAYMENT RECEIPT OCTOBER DEADLINE** to the address indicated on the conference registration form.

Any persons who have all of their proposals rejected may request a conference registration refund by contacting the Treasurer. All such requests for refunds must be received by December 5, 2018, and must include (a) a postal mailing address, (b) a copy of the proposal rejection(s) and (c) a copy of the SERA registration form. Conference registration payment by all authors/co-authors is a condition for proposal review, includes annual dues, and is not otherwise refundable unless all an individual's proposals are rejected. **The proposals of any persons not completing both conference registration and payment BY THE OCTOBER DEADLINE will be rejected.**

Persons submitting proposals will be notified of the disposition of their proposals by the end of November. The DRAFT program will be posted on the SERA website in early December, and the final program will be posted in January.

THE FIRST SESSION WILL START ON WEDNESDAY, FEBRUARY 6, 2019 AT ROUGHLY NOON.

Implicit Permission to Take and Use Photograph

During the annual meeting photographs are taken of presenters and participants in public spaces (e.g., meeting rooms, hallways, at the luncheon), which may then be displayed during the annual meeting, in SERA newsletters, or on the SERA website. **THE SUBMISSION OF A PROPOSAL IS DEEMED A GRANT BY ALL AUTHORS TO SERA TO USE SUCH PHOTOS FOR NONPROFIT USES.**

PROPOSALS

ALL PROPOSALS for inclusion in the program must be submitted electronically using the link posted on the SERA website: <http://sera-edresearch.org>. Proposals should be no more than two (2) single-spaced pages in length.

The program chair, in conjunction with the president, will accept workshops according to the space available in the conference program. Because Innovative Session and Workshop formats both require substantial program time, only a very **limited number** of proposals for these two formats may be accepted.

1. Proposals for Paper Sessions

Paper sessions are organized around topic areas selected by the Program Committee. Participants will each be given between 11-13 minutes to present papers in summary fashion. To propose a paper for a paper session, authors should prepare a summary including (a) a statement of the problem, (b) perspective(s) or theoretical framework, (c) methods and procedures, (d) results and conclusions, and (e) the educational or scientific importance of the study. Where feasible, sessions will be organized around themes to promote discussion and audience interaction. Session Chairs are typically one of the presenters from that session, so please be sure to check the program ahead of time to determine who is chairing a given session. An asterisk (*) next to a presenter's name in the conference program indicates selection as the session chair.

2. *Proposals for Symposia*

A symposium consists of a set of paper presentations organized by the symposium organizer. As with paper sessions, all symposium papers must be written, and must be distributed to the audience in paper form, or submitted to the SERA Paper Repository, or both. The difference between Paper Sessions and Symposia is that papers in Paper Sessions are grouped by the Program Chair, while the papers in Symposium Sessions are grouped by the organizer. It is the responsibility of symposia organizers to identify topics, solicit speakers, and, if appropriate, provide discussants for symposia sessions. Organizers must designate a chairperson in the proposal (typically the organizer). Being a presenter does not preclude a person from also serving as chair. The organizer is also responsible for notifying other symposium presenters of the disposition of the proposal. The summary should include the following information: (a) objectives of the symposium; (b) summaries of the point of view or conclusion(s) to be drawn from each presenter; (c) a statement regarding the scientific or educational importance of the symposium; and (d) a list, on a separate page, of the symposium presenters (including a discussant, if appropriate) and their institutional affiliations. The submission system requires that *each symposium paper has a title and a given set of authors*.

3. *Tutorials/Training Sessions*

Tutorials or Training Sessions provide an opportunity to provide instruction and/or information on a specific topic to the audience in approximately 50 minutes. To propose a tutorial/training session, authors should prepare a summary to include (a) a statement of the topic, (b) perspective(s) or importance of the topic, (c) information about the topic, and (d) how it might be applied to a research project.

4. *Proposals for Innovative Format Sessions*

Proposals for sessions employing innovative formats will be considered. Proposals for structured debates on specific, controversial issues are encouraged. Persons wishing to submit a proposal for an innovative format presentation should explain how the format will be structured and what topics or issues will be discussed. A list of presenters should be included on the cover sheet. The organizer is responsible for notifying all presenters of the disposition of the proposal.

5. *Student Division for RESEARCH IN PROGRESS (Division VI Only)*

To encourage participation by students, research proposals can be presented, including theses or dissertations still in the developmental stage and not yet defended. Authorship on Division VI proposals are *limited to students and should not include a faculty co-author*. In these sessions, a distinguished researcher will provide feedback to students. Proposals should include (a) a statement of the problem, (b) the significance of the study, and (c) a description of the proposed methods and procedures. Students whose SERA presentation proposals are accepted should send a copy of their research proposal to the session discussant **on or before January 8, 2019**.

NOTE: Research that will be completed prior to the conference is *not* appropriate for Division VI seminars. **Of course, graduate students may submit proposals for presentations not suitable for Division VI to any of the other five divisions, based on a match of presentation topic to the division's coverage.**

Remember:

- There is a **limit of 12 coauthors** per submission.
- All authors/co-authors and workshop, symposia, and innovative session presenters must register for the annual meeting.
- The Program Committee may exclude any proposal that does not meet the guidelines specified in this publication.
- Presenters are expected to bring **10-15 copies** of their papers to the annual meeting for distribution to the audience, **OR** upload a digital copy of the paper to the SERA Paper Repository website. More information about the Repository will be disseminated in the Fall.
- All meeting rooms at the annual conference will be equipped with an LCD Projector, but you must bring your own laptops. Presenters are encouraged to put their presentations on a flash drive and all the presenters load their presentation onto one laptop before the session begins. **Presenters must supply all other audio-visual equipment.** For instance, mac users may want to bring their own dongle. SSD laptops may require a HDMI-VGA cable.

PLEASE NOTE that conference registration and payment ***RECEIPT*** are required within one month (i.e., BY THE OCTOBER DEADLINE) of the proposal submission deadline.

PAPERS

The SERA annual meeting is intended as a venue in which presenters have written **an actual prepared paper, which is made available to interested members**. In other words, SERA is *NOT* a venue for extemporaneously delivering off-the-cuff remarks. In short, the primary communication medium of the conference is in the form of exchanging written, formal, archival scholarly papers, and not oral.

Most papers have 10-18 pages of narrative, references, and many have tables and/or figures. All papers should have a cover page listing the title, authors, and a note at the bottom saying, "**Paper presented at the annual meeting of the Southwest Educational Research Association, San Antonio, TX February (date), 2019.**" Also, *please, in the UPPER RIGHT CORNER of your cover page, type the Session Number in which the paper is being presented (e.g., "T2.3", "W1.4", "F3.1")*, as indicated by the conference program posted to the web in December prior to the annual meeting.

Many previous SERA papers from the past 40 years of conferences are available as ERIC "ED" documents. If you want to see some actual previous papers. You can go to <http://www.eric.ed.gov/ERICWebPortal/search/extended.jsp> and search on "Southwest Educational Research Association" as a KEYWORD, and then in the ED/EJ box click on ONLY ED (which are non-journal articles, and mostly conference papers). Most of these will have a link to the PDF version of the SERA paper.

If you know the ERIC "ED" "accession number" for the PDF file, you can also go to: <http://www.eric.ed.gov/ERICWebPortal/basicSearch.do> and type the accession number as the SEARCH TERM to get the PDF file. Here are 3 sample recent SERA papers: ED499991, ED499990, and ED500497.

Submit proposals online at: <http://sera-edresearch.org/>

Proposals should be submitted to only one division. The program committee reserves the right to reject all proposals that appear to be "duplicate" submissions by the same author(s). Please feel free to contact one of the following division chairs if you have questions.
